
Activity Suggestions for *Heartsong*

1. Tartans

- cut thin strips of construction paper in varying sizes and colours
- plan how the tartan will look by considering colours and placement of paper strips
- use a piece of construction paper as a background
- glue the thin strips of paper onto the background in order to form the pattern of the tartan

2. Inspired Paintings or Drawings

- listen to a variety of fiddle music, from classical to bluegrass, at least three different pieces
- fold a long piece of cartridge paper into three sections
- while listening to the music, draw or paint a picture or design that is inspired by the music
- use one section of the paper for each type of music that is heard

3. Square Dancing

- learn to follow some basic square dancing steps and hold your own classroom ceilidh!
